Pasadena Heritage encourages our Spring Home Tour guests to visit Arlington Garden, a three-acre garden on Caltrans-owned land. It is leased to the City of Pasadena and entrusted to Arlington Garden, a non-profit corporation. This garden is a refuge for Pasadena’s native fauna, birds, bees and butterflies and was designed, planted and is maintained by volunteers. Take your lunch or just go for a stroll. Docents will be available between 10:00 a.m. and 2:00 p.m.
